

# DEALER STAFFING

A DIVISION OF MICHIGAN STAFFING

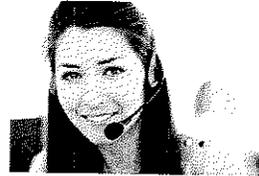

## Our Dealer Staffing Solutions

Contract • Contract-to-Hire • Direct Placement • Payrolling

With recruiting and hiring of employees comes a lot of time and headache. By partnering with Dealer Staffing, especially with those high-turnover positions, you no longer have to deal with the issues of staffing your Store. We take care of it for you. This allows you to spend more time growing your business and generating profit.

### Our Specialized Recruitment Team

Our Recruiters learn your specific needs and offer personalized, customized service, staffing expertise and the willingness to go the extra mile to treat your business as if it were our own.

### Screening and Interview Process

- Selective Candidate Sourcing
- Customized and Targeted Screening
- Computerized Skills Assessments
- Background Check/Drug Screening

### Reduced Overhead and Exposure

Minimizing exposure is critical! By working with Dealer Staffing you minimize your liability and exposure. The cost of hiring employees through our company fall under our umbrella. You will no longer have the out of pocket expenses associated with hiring/firing employees and filling positions. Ad placement, drug screening, background checks and insurance coverage are all costs you no longer have to worry about. Let us handle that for you.
