Quarterly Voice of the Retired Detroit Police and Fire Fighters

Volume 150, Summer, 2022

PRESIDENT

Don Taylor

Summer has finally arrived, and along with the summer 2022 the RDPFFA has finally returned to pre-covid activities. We even added one this year; Firekeepers Casino in Battle Creek. Many of our members attended both the event in Battle Creek and our Picnic and General Meeting in Frankenmuth. These events were well attended and I believe a good time was had by all. The Association is already working on next year's schedule and we will keep you updated.

The summer of 2022 has brought some bad news for us, the highest inflation in many years, \$5 a gallon gas, and the collapse of the stock market. Many of us have seen our Retirement investment lose 30% or more of their value. We can only hope that things start to turn around soon. With this being an Election year, maybe we'll be lucky and the Election outcome will have a positive effect on the country and the economy. I don't think it can get much worse.

On a positive note, in my last Article I pointed out that we have nearly 500 members 90 plus years' old, and 24 of them are 100 plus. Our current oldest living member is; Barbara L Carlson 103 years young of Presque Isle. Although not required to pay dues after turning 90, Barbara continues to have her dues deducted from her pension check. Her husband Edwin passed away on April 14, 1989 and he retired 7/13/66. Between the two of them they have paid dues for 56 years to the RDPFFA. We wish

Barbara many more years in her retirement and thank her for her continuing support of this Association. With so many of our members reaching these milestones, it appears that our members are taking good care of their health and living long into their retirement. We hope this continues and expands into the future.

We continue to monitor both local and Federal legislation that could have an effect on our membership. As I have pointed out in my past articles, with split Government in Lansing, not much legislation is moving through the system. We are currently working with our Lobbyist on a piece of legislation that would give some flexibility to our Pension Board and VEBA Board to attend and participate in meetings electronically. We believe this is important because there may be times that a Board Member may not be able to attend in person, and on the Pension Board there are independent professionals on the Oversight committee that live out of state. This committee was established in the Bankruptcy and their purpose is to oversee the Pension Board and insure that the pension remains solvent. So we believe the most important thing is to have the best qualified serving on these Boards and to have the flexibility to appoint the best without placing restrictions on them and requiring they attend every meeting in person to be able to vote. House Bill 5427 would take care of this, and recently passed out of the House on a vote of 84 to 24, and is now in the Senate. We expect a hearing on the Bill in the Senate when they return in September.

On the Federal level, as always we continue to monitor legislation relating to Pension Windfall and Pension Offset. As has been the case for last 30 or so years, there are Bills, (H.R. 82 Social Security Fairness Act of 2021) was introduced on Jan 4, 2021, but no movement has taken place or is expected. There is also H.R 5165 "Improving Medicare Coverage Act" that would lower

VICE PRESIDENT

Gregory Trozak

Well summer is upon us, and I hope everyone is enjoying it with family and friends. We must because we all know that it will be gone before we know it. I hope all those that had a chance to make this year's picnic and June general meeting had a wonderful time. The weather cooperated, the food and beverages were as good as always and it was great seeing many of our members and guests. We tried something different this year concerning the hospitality room by allowing the Bavarian Inn to handle all the festivities which included the serving of the refreshments. For those who did not indulge I can assure you it went very well and will be continued in the future.

I did hear some rumblings that it was only one (1) night and that too will change in the future. Overall, it turned out great and the good Lord willing, it will continue for years to come.

Speaking of years to come the tentative date for 2023 is June 26th. This will not interfere with Father's Day and is still several days away from the 4th of July. So mark your calendars! There will be more information coming soon which will include the booking number and schedule of the events.

The last thing about the picnic which I failed to mention the following morning at breakfast and general meeting is that I want to give a huge THANK YOU to the spouses (notice how I worded that, I think it is politically correct) and several friends and family members who also assisted with the setup, take down and everything in-

between to make this year's picnic an enormous success. Thank you again.

A few items concerning the pension, with the August 1st pension checks just around the corner, with the U.S. mail you may already have your check deposited by the time the Unity arrives, we all know that this is the check with our huge COLA increase for new plan members and escalator for old plan members. New plan members will receive the 1.0124% increase which may or may not be compounded depending on your retirement date, but it will be on this check. For the old plan members as of this writing only Firefighters will receive the escalator on this check, the DFFA is the only active union scheduled to receive an increase right now, DPOA, LSA have not signed a new contract as of now. They are in negotiations with the City and may or may not have a settlement any time soon, so as they say, "stay tuned". Some interesting information about the old plan pension, there are still close to 1000 members still receiving checks with close to 2/3 of those being beneficiaries of the plan. So hang in there and there is a good chance that those escalator raises will come.

Remember there is still time to sign up for the RDPF-FA Golf Outing which will be held again at Oak Ridge Golf Course on Friday, August 12th. Get those foursomes together, it is always a great time. A reminder again that the General Meeting schedule and meeting locations will be

In this issue of the Unity I will follow-up from the last publication with an emphasis on the Retired Detroit Police and Firefighters Association membership. The fall issue #149, I focused on Police and Fire annual deaths as well as a Police and Fire new member numbers enrolling into our organization.

I am sorry for repeating and going over the same subject but I believe that a persistent effort to keep our members aware of this continuing concern is crucial. Our membership is dwindling and potential new members are not joining.

As of this date the Association's membership totals is 4,872 of which 4,064 are enrolled in an automatic payroll deduction of \$3.00 per month which amounts to \$36.00 and the remainder pay the yearly dues annually by check or cash.

The purpose of the Association shall be to provide the members with information concerning the status of pensions, hospitalization and insurances and to keep the members informed on all matters relative to the best interests of the Association and its members. In addition, the objective is to promote a spirit of good fellowship and a closer personal relationship among members and their families.

The Association accomplishes our goal disseminating information by way of seven General Membership meetings (reduced to five, starting in October) as well as a quarterly magazine distributed to all dues paying members. Furthermore, the Board of Directors approves and organizes popular events adding to the Association's calendar such as our annual picnic in Frankenmuth and events, for instance, a golf outing, and organized out of town getaways for a few days.

A notice to join or renew is sent to potential new members and individuals who fail to pay their annual

dues. A first-class mailing is delivered to non-members explaining what the organization can provide and promote. The Association continues to work on behalf of all Retired Police Officers, Fire Fighters and their families, emphasizing that without the support of the members, the Association may lose its ability to adequately fulfill all of its activities on your behalf.

The recruitment of new members is the goal. Since all Retirees benefit from the Association's endeavors, we should encourage retirees, who currently are not members, to join our Association. Presently there are 1,313 retirees 946 Police and 367 Fire, who have not joined.

The Association acknowledges that there could be a number of reasons for qualified members not enrolling and it could be as simple as not knowing how to join or a familiar characteristic of procrastinating. Therefore, please assist us by identifying a retiree that you may know, be respectful, mindful and suggest joining.

Our members recognize that all retirees benefit from the Association's efforts. A common suggestion is to publish a non-member list. This issue has listed all probable non-members names for our Retiree Roster Update. Posting names of non-members keeps our records up to date for notification purposes. A list of Fire and Police retirees, who are currently non-members of the Association, are listed on pages 12-20 in this issue. If you recognize a name, please help out and encourage them to become a member and support the RDPFFA, preferably by filling out a payroll deduction form having \$3.00 a month deducted from their monthly pension check or by making an annual payment of \$36.00.

the Medicare eligibility age to 60 that was introduced on Sept 3, 2021, but it too has not seen any movement. But we will continue to monitor all legislation that may improve or harm our benefits.

That's it for now, enjoy your summer and hopefully we will see you at the Association events.

VICE PRESIDENT *(continued from page 2)*

changing come fall. Be sure to check the UNITY for the updated dates and locations for all upcoming General Meetings.

We all know the Detroit Police Department lost another Officer tragically this month, Police Officer Loren Courts was ambushed and killed on July 6th, 2022, just doing his job. I would like to express the Association's deepest sympathy to the Courts family. His father Larry is a member of the Association, and I had the pleasure of knowing and working with Larry during our time on the job. So, Larry again the RDPFFA would like to express our sincere sorrow on your family's tragic loss.

On a final note, the above paragraph seems to be becoming a common occurrence during these times so as always please be careful out there, keep a close on eye on your family and friends it really is a totally different time we are living in. Take care and enjoy the rest of the summer.

Dan Zemaitis

Greetings from Northern Michigan:

First the sad news – We lost long time members of the Snowbirds – Lorraine Dennerly and Nick Zazula – We will miss them – Our thoughts and prayers go out to their families.

On a happier note – Jerry and Della Rozanski celebrated their 61st anniversary at our June meeting – Congratulations to both of you.

New Members – we had 3 guest that attended the Snowbirds meetings and then joined – Zig Bogumil, MaryAnn Sypniewski previous member who re-upped and Bob Rentz – Maybe Bob's son Brian Rentz Ret. Fire Lt. will also join – we welcomed them.

Money winners at our last 2 meetings were: Bob and Karen Haderer and Mike Kniaz – also June winners were Dave Pauch, Pat Samborski, John Wood and Jerry Rozanski – lucky people!

June Birthdays: Dan Marcrum

July Birthdays: Muriel Corsiglia, Jerry Brehm, Paul Sevald, Robin Mueller, Don Rem and Joann Nichols

August Birthdays: Deb Karvonen, Lorraine Rudeen and Al and Diane Bickford, who also celebrate an August Anniversary

Our RDPFFA put on another great picnic in Frankenmuth. The turnout and the food was very good and the camaraderie was something I think we all needed. Great job again officers, volunteers and workers – Thanks

Thanks to our member Melanie Pauch who continues to keep the members updated on Veterans benefits and has also undertaken the challenging task of making a new updated rooster for us.

So with that said I call out to the membership to please call me if you have moved or changed your phone number or any change so we can do this accurately.

In the meantime – all are welcome to attend the Snowbird meetings at Fred of Roscommon. The meetings start at 1pm but most get there 11:30 – 12:00 pm. for social time and food. Next meetings: July 10th, August 14th, September 11th – 2nd Sunday of each month

Take care, stay healthy and God Bless

Member of RDPFFA

2022 RDPFFA Election Rules

Only Active Members are eligible to run for office, Associate Members are not eligible to run, or vote in elections. Candidates are not eligible to run for more than one elected position within the Association, Candidates may be nominated for any number of positions, but may only accept and run for one position.

Nominations for offices will open on September 1, 2022 and will close on October 6, 2022, at the General Membership Meeting. Candidates for office may have their names entered into nomination during the nomination period at the RDPFFA office or at the October 2022 General Membership meetings.

The Chairman/Representative of the Election Committee will take Nominations from the floor at the October General Meetings. At the October General Meeting the Election Committee Chairman/Representative will close the nominations for all offices. For a Candidate to have his/her name appear on the election ballot, he/she must accept the nomination in writing within 5 days of being nominated.

Following the close of the acceptance period, the Election Committee will cause the election ballot to be prepared, and insure that all Candidates listed have accepted the nomination, and that all Candidates are current Active Members of the Association. If only one Candidate has been nominated for an office and has accepted the nomination, then the Candidate will be considered elected, and no election shall take place for that position.

Ballots will be mailed to all currently listed active members on November 1, 2022; along with the ballot a specially printed return envelope will be included. In order for a ballot to count it must be returned to the RDPFFA office by November 21, 2022, and must be returned in the specially designated return envelope. As election return envelopes are received at the RDPFFA office, the envelopes will be counted, remain sealed and placed in a lock box designed for such purpose by the Election Committee.

Voided ballots will be kept separately; the Election Committee will count and tally the ballots prior to the December General Membership Meeting. During the ballot count observers will be allowed as well as candidates or their designated representative. It shall be the duty of the Election Committee Chairman to provide instructions and appoint personnel to count ballots.

The Committee at their discretion may recount any or all ballots cast. Any candidates may request the Committee to conduct a recount in any disputed position for which they were candidates within 7 calendar days of the December General Meeting. The request to the Election Chairman must be in writing and signed by the candidate making the request. Recount requests shall not be honored by the Committee if their total count for any office being contested shall show an identical count total for two consecutive tallies. All election results will be announced prior to the end of the December General Membership meeting. All ballots will be maintained at the RDPFFA office for a minimum of 60 days following the election.

IN MEMORIAM

Once again, we call the roll and acknowledge those friends and associates who have left us since our last publication. It is hard to let go of good friends but it is easy to remember the good times we shared and realize that now they rest in peace.

DEATH OF MEMBER FAMILY ASSISTANCE PROCEDURE

Communications vary whether the member was Police, Fire, or Sergeant and above. If you are Police, make your first call to the Detroit Police Benefit & Protective Association, (313) 870-9304. Followed by either a call to the Detroit Police Officer Association, (313) 567-8770, or the Lieutenants & Sergeants (313) 961-5699, which ever applies.

While the Detroit Police Benefit & Protective Association will normally contact the City of Detroit with the information, it would be reasonable to follow up with a call to the Pension Bureau, (313) 224-3362 or 1 (800) 339-8344 and BeneSys at (833) 725-5336 to make sure that they were notified. Last but not least, notify the Retired Detroit Police & Fire Fighters Association at (586) 795-1734.

Fire employees, start by notifying the Detroit Fire Fighter Association, (313) 962-7546, the Detroit Firemen's Fund Association and Detroit Fire Mutual Fund, (313) 628-0099, and the Police and Fire Retirement System (PFRS), (313) 224-3362 or 1 (800) 339-8344, extension 221.

The above agencies will assist you with the notification process. It would be a good idea to put this information with your secured legal documents or some other obvious place where your survivors can locate it.

Silver Ladies

Carol Curley

Thank you, brave firefighters, police, union workers and retirees for keeping us all safe during these “inflated” times!

Our Silver Ladies still enjoy our lunches together. This beautiful summer many ladies are taking vacations and/or visiting family. Some members are changing to apartments or have moved a great distance and are not able to drive the long way back to our meetings. So it would be nice and great to have a few new ladies join us. We meet the first Tuesday of every month at 1 p.m. unless weather or circumstances change our plans.

Remember half of this year is already gone and my feet only travel in first gear now, sometimes switching into reverse without my instructions!

Call 1 (810) 392-2668 for more information! Enjoy your summer!
