Elected Retirant Trustees Sworn in on Police & Fire Pension Board

On July 26, 2012 at the regular meeting of the Police & Fire Pension Board, Mike Simon the elected Retired Fire Trustee and Louis Sinagra the elected Retired Police Trustee were sworn in as members of the Board of Trustees. This was long overdue; we thank the Chairman Matt Gnatek and Trustee Mark Diaz for taking the lead in ensuring that the elected Retirant Trustees were seated in a timely manner.

The fight may continue, on Friday July 20, 2012 as the ballots were being counted, we starting hearing rumors that the Mayor was going to make changes in the composition of the Pension Boards, which included eliminating the Retiree positions on the P&F Board of Trustees. This was based on a report from Miller-Canfield that changing the composition of the Boards would save 3 Million Dollars. We believe those proposing these changes are relying on Public Act 4, of 2011 (Emergency Financial Manger Legislation) to impose these changes. It appears that those discussing these changes may have overlooked the fact that there are two Public Acts relating to the Retiree members on the Police & Fire Board. Public Act 25, of 2011 and Public Act 10, of 2012, were both signed into Law by Governor Snyder after Public Act 4, of 2011, Because our Public Acts were signed after Public Act 4, it is our

opinion and that of the Bill Sponsors that Public Act 4, does not and cannot supersede Public Acts 25 of 2011 and PA 10 of 2012.

The struggle regarding the Retiree Trustee on the Pension Board is not over yet. Along with monitoring any attempts to make changes in the composition of the Board, we are still pursuing equal treatment of the Elected Retiree Trustees. As we have pointed out the Retiree Trustees are required to meet more stringent and additional requirements to participate and seek the elected retiree trustee position, then are required of the active elected trustees. Also the Elected Retirant Trustees on the Police & Fire Board are the only elected Board Members that do not receive any form of compensation.

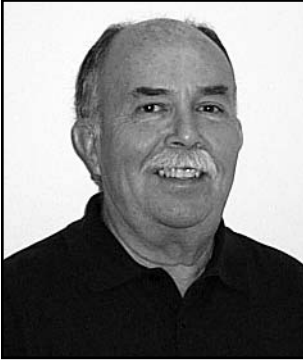

Senator Jansen (R-28) introduced Senate Bill No 1189, which if passed and becomes Law will require that all elected Trustees on Pension Boards be treated equally under Law. We believe Committee Hearings will start in September. You can read the Bill on our Web-Site www.rdpffa.com.

Healthcare Benefits

The Association is aware that there are a lot of rumors and information going out regarding changes to Active and Retirees benefits. The Association is monitoring the actions and changes that are being proposed and will be ready if and when it becomes necessary to take legal action. Please be patient sometimes it necessary for us to wait for the City to act and put out official notices before we respond. Even if we haven't responded to all the rumors we are well aware of them and will respond and take action when it is appropriate.

It is our understanding, at this time that those retirees that are covered by the RDPFFA Lawsuit "Weiler vs. City of Detroit (Wayne County Circuit Court Case No 06-619737) will not be affected by any

With the dog days of summer upon us the Association can look back over the past few months and look at some important issues that seemed to have been resolved and some that may have a future impact on our members. The first important issue is the seating of two (2) retirees on the pension board. That issue seems to be resolved with the election of both retiree positions completed. I would like to congratulate Louis Sinagra (Police) and Mike Simon (Fire) on winning their respective elections. I attended the July 26 Pension Board meeting and both individuals were sworn in and took their seats at the table. It has been a long and expensive task but the results were well worth the effort and I, along with the entire Board of Directors say thank you to everyone who helped including the trips to Lansing, sending donations to the PAC fund and gener-

al all around support. I now ask that both Lou and Mike remember who they were elected to represent and I am sure they will do the right thing.

Also on the 26th, Don and I attended the rally at the County Building organized by the unions. Despite the rainy weather it was a good turnout and it was nice to see several of our members present. Regardless of your personal feelings toward the active unions, and I share many of those feelings, it is a shame what is happening to the Police Officers and Fire Fighters of the City of Detroit. Being a father and father-in-law of two Detroit Police Officers I am worried for their future. We should all be concerned with the direction of the City of Detroit.

This leads into one of the other issues the Association has concerns that is, the financial condition of the City and the Administration's attempt to use our benefits to correct the decade's long mismanagement and corruption. I want to ensure all our members that the Association is monitoring the rumors and all the rhetoric being spread and reported on by the media and Administration. As of this writing nothing has been done, we have not been notified of any changes to our benefits. If and when our rightly deserved benefits are diminished or changed, rest assured the Association will take whatever action is necessary.

As everyone is aware this edition of "THE UNITY" has been delayed. The Association's main objective is to keep our members informed and with this being the case it was decided to delay the publication until the election of the retirees to the Pension Board was complete and the two Trustees were seated. We apologize for the delay. We try to keep our members updated and this is accomplished thru e-mails and our web site. If you do not have your e-mail address on file or you need to update it you may be missing important updates and information. This is an easy process, just send an e-

As previously mentioned in my article from the last Unity, an area of importance for our organization is membership and enrollment. Understanding that all retirees benefit from the associations efforts concerning the status of Pensions, Hospitalization, Insurances and relative matters, members need to encourage those who have not joined to sign up.

In this issue I have provided separate lists of non-members, Fire and Police eligible to join over 6,500 Retired Detroit Police and Firefighters dues paying members. The list of non-members is intended for recruiting purposes. Regrets are offered in advance if you are named and should not be named as a non-member; please call our office at (586) 795-1734 for a need-

ed correction. In addition, members can view the list of non-members on our web-site www.rdpffa.com

When to file for Medicare

I'll be 65 years old soon. When should I sign up for Medicare?

Generally, we advise people to file for Medicare benefits 3 months before age 65.

Remember, Medicare benefits can begin no earlier than age 65. If you are already receiving Social Security, you will automatically be enrolled in Medicare Parts A and B without an additional application. However, because you must pay a premium for Part B coverage, you have the option of turning it down. You will receive a Medicare card about two months before age 65. Note: Residents of Puerto Rico or foreign countries will not receive Part B automatically. They must elect this benefit.

If you would like to file for Medicare only, you can apply online for Medicare only or call 1-800-772-1213 (TTY, 1-877-486-2048). Representatives there can make an appointment for you at any convenient Social Security office and advise you what to bring with you. When you apply for Medicare, we often also take an application for monthly benefits available at www.socialsecurity.gov.

When you receive your Medicare Card, send a COPY of it to:

Benefits Administration, Human Resources
2 Woodward Ave., Suite 1026
Detroit, MI 48226-3445

If you do not have enough credits for Social Security, get a letter from the Social Security Office stating that you are not eligible for Medicare. Send a copy of that letter to Benefits Administration. If your spouse is eligible for Medicare, you are also eligible under your spouse's Social Security. Remember, in order to be eligible for Hospitalization from the City, you must take Medicare Parts A and B.

Remember you can always call the office or drop me an e-mail at gregrdpffa@hotmail.com with any questions. There will be more information coming soon.

With summer winding down remember the monthly general meetings begin again in September. In closing I want to say that the June general meeting held in Frankenmuth MI was a huge success and all attendees seemed to really enjoy themselves. I want to thank everyone who helped out and hope we can continue having the June meeting along the same format.

Until the next time I hope to see as many members as possible at our scheduled events and don't forget to get on the Associations e-mail list and we will attempt to get "THE UNITY" back on the normal publication schedule.

of the changes. Our understanding that neither the Consent agreement nor Public Act 4, of 2011 (Emergency Financial Manger Legislation) gives authority to change legal obligations required by the Courts. Our Healthcare Settlement agreement includes Dental and Vision coverage. (Class Members (includes spouses and widows); Retired Police Officers & Firefighters having parity, retired as of April 9, 2007 Retired Police Sergeants, Lieutenants, Command Officers and Fire with parity, retired as of August 1, 2008).

Retirees not covered by the Settlement agreement may face reduction in their benefits. The Association is preparing to take legal action to protect those members if and when their benefits are reduced. We are currently contacting attorneys regarding this issue and will be ready to file a legal challenge if changes are made.

An Unpublished opinion from the Michigan Court of Appeals issued July 24, 2012, "Teamsters Local 214 Vs. Genesee Community Mental Health No 304840, appears to give some protection to retirees, regarding their healthcare benefits once they retire.

The Michigan House of Representatives passes, House Substitute for Senate Bill 409

Senate Bill 409 addresses the issue of the new State Pension Tax and how it affects those that retired from a Governmental Agency that was not covered by Federal Social Security Act. (Detroit Police & Fire). The version of Senate Bill 409 which was passed in the Senate gave a total exemption for Government pensions from agencies that did not participate in Social Security, but the House of Representatives failed to pass the Senate version. Compromise language was agreed to and passed the House on June 14, 2012 the last session day prior to summer break. The House Substitute for Senate Bill

409 was passed and sent back to the Senate for a concurrence vote. Some within the Senate believe the Bill can be improved before sending the final version to the Governor; we have been assured that if the Bill cannot be improved on, the version passed by the House will be passed by the Senate and sent to Governor Snyder.

The main points in House Substitute for Senate Bill 409 are:

For a person born in 1946 through 1952 the amount of retirement income deductible for single is raised from 20,000 to 35,000, for those filing joint the amount is raised from 40,000 to 55,000, and for those that both the husband and wife filing joint return both retired from a governmental agency that was not covered by Social Security the amount goes up to 70,000.

For those born after 1952, through age 66, deduction goes from zero (0) to 15,000 for single or joint return, if both husband and wife retired from non-participating agency the amount goes to 30,000. Once you reach age 67, returns to current language 20,000 single 40,000 joint (For more information and a better understanding of the legislation, you can read the Bill on our Web-site www.rdpffa.com.

Our Association is still facing a number of challenges in our efforts to protect the benefits we earned and deserve. These struggles which will be time consuming and costly will continue in the Courts and in the State Legislature. We need our members continued support to finance the cost of these fights, it is unfortunate that non-members will continue to benefit from our efforts, but there will always be freeloaders.

Don't forget to take the time to participate in the Association events; Picnic August 11 Kolping Park, Golf Outing August 24 Sunnybrook Golf Course, and Annual Educational Convention Tropicana Las Vegas Sept 24-28, 2012. (See Vice-President Trozaks' Article)

We will keep you updated and take all appropriate action to protect your rights and benefits.

Carol Curley

Our year is more than half gone. The summer has been like Florida's and Texas, which many run to for the heat. We've had constant "excitement" with politics and the economy. It's great to be alive! Isn't it?

Our April, May, June and July meetings and outings were as they should be: busy, happy of serious thought and concern for health and family.

We were happy in April when Irene Brooks won the 50/50 and in May when Marcy Rolf won the 50/50. Carol Bender couldn't help but smile in June for the 50/50 win. July's 50/50 win was a surprise to Annette Emke.

Happy Birthday to Marie Johnson in August, Helen Malkowski and Irene Brooks in November and Gean Graves in December. Happy January birthday to Wilma Brown.

No reason to complain this year. We are the generation that works hard, fights for our rights and is proud of our accomplishments. We learn from history - We have made a great part of it - Don't waiver. We can still do what needs to be done - VOTE!

Call Marcy Rolf at 586 465-9815 to join us!

Thank You!

On Thursday, July 26, 2012 a police retiree (Louis Sinagra) and a fire retiree (Mike Simon) were sworn in and officially became trustees on the Police and Fire Retirement System of the City of Detroit. This has been a long and arduous process but the hard work of those at the Retired Detroit Police and Firefighters Association has finally secured a seat on the board for retirees.

This has always been an important issue as was apparent by the response generated by the retirees in the election process. There were 4,805 police ballots sent out and 2,640 police retirees voted.

I would like to thank all the retirees who took part in the election process. Of course, I especially would like to thank those who voted for me.

Together we can make a difference.

Louis Sinagra,
Retired Police Pension Board Trustee

A Special Remembrance and Thank You For Two Past Presidents

Donald O. Morris

Alfred A. Pare

10-15-1924 / 4-18-2012

(Lieutenant–Detroit Fire Department)

(RDPFFA President 1988-89)

Several months ago, Don Morris passed on. Don was a Retired Lieutenant in the Fire Fighting Division. He conducted himself in a manner that brought pride to the Fire Department and continued in retirement serving as President of the RDPFFA. He worked for the association in many positions doing an excellent job.

Perhaps the most important accomplishment that Don did was tirelessly working on his own and successfully getting those on duty disabilities a federal tax relief. Quite an accomplishment!

Lastly, as a friend and co-worker, I salute Don Morris.

Saddened to hear of my old friend, Al Pare passing on. Reminiscent of our collective efforts for the RDPFFA in its infancy.

Al served in many capacities within our organization. President, Vice President, Board of Directors, clerical aid at the office, but what he did and looked forward to most, was being the Pension Chairman of our organization. On Thursday of every Pension Board meeting, for years he was there representing us. He made many contacts and earned the respect and confidences of the Pension Board members. He was allowed to speak to the Board as an unofficial, not elected member of the Pension Board. He served us well for many, many years.

In Al Pare's honor, what would have pleased him the most is a donation in his name, to the P.A.C. fund! I believe he would concur that this P.A.C. money was instrumental in our present administration to successfully accomplishing getting official representation on the City of Detroit, Police and Fire Fighters Pension system.

Jobs well done Al Pare!

Summer is here and it's time to think about the RDPFFA annual picnic. For us westsiders, it is a ways to go but if we carpool, we would be supporting the organization that looks out for us.....think about it!

The annual dues drive is still going. The fee remains at \$12 so if you haven't paid for 2012 / 2013, please send your check or money order to our treasurer, Meta Bateson, 1291 Shoemaker Drive, Westland, MI 48185.

Some of our members have not been physically well or able to attend our luncheons so we send our best wishes to Elmira Affelt, Shirley Brandt, Hilma Clifford, Sally Emerick, Nancee Hay, Ginny Kaltenback & Theresa Kelley. We're thinking of you.

Happy birthday wishes go out to Donna Hope - 7/26, Shirley Brandt - 7/27, Meta Bateson - 8/5, Dolores Linn - 8/18, Martina Burke - 9/23, Elmira Affelt and Sally Emerick - both 9/26.

If you are the widow of a Detroit Policeman or Fire Fighter and a member of RDPFFA, please consider joining the Silver Ladies. There are two branches - east-siders meet the first Tuesday of the month at 2:00 p.m. and westsiders meet the second Tuesday of the month at 1:00 p.m. (see Associate Calendar of Events in this publication). We are all dealing with our loss and with the City of Detroit so let's support one another.

Thought for the day: "About the only thing that comes to us without much effort is old age".

Let's meet at Archie's...

Snowbirds

Dan Zemaitis

Greetings from Northern Michigan:

Our RDPFFA Association had their June meeting in Frankenmuth, Michigan which included guest speakers, investment, BCBS of Michigan people and a great buffet breakfast. We had 15 of our Snowbird members attend. The Whitings, Rem's and Zemaitis all won prizes. Everything was real nice. It was nice to see and visit with some of the people we worked with and haven't seen in year, hope we can do it again next year.

At our Snowbird meeting the members put forth a motion to change the meeting time from 1:00 p.m. to 12:30 p.m. This will be voted on at the July 8th meetings. A big thank you to the following for their generous donations to our club: Don and Cindy Rem, Jerry and Evelyn Bream, Ted and Maryann Ponik and John Pietrangelo. Also a big thank you to Don Taylor and the RDPFFA who donated some very nice prizes for our picnic.

Now for the good part. Bill Peplinski also handled the 50/50 which was won by Ken Hedeem and Don Rem. Then we had another "Tool Bonanza" thanks to Marv Kammer who donated flash lights, screw driver sets and large retracting measuring tapes. We also passed out shopping bags with some handy do-dads in them that were donated by the Schmidt's daughter Michelle's Legal Group.

We lost Larry Dokendorf in April and also Shirley Whitman. Also found in the local obits that Agnes Manning age 95 died. She was the wife of the late Bill Manning, a past president of this club from 1973-1976. Our thoughts go out to their families.

DEATH OF MEMBER

FAMILY ASSISTANCE PROCEDURE

Communications vary whether the member was Police, Fire, or Sergeant and above. If you are Police, make your first call to the Detroit Police Benefit & Protective Association, (313) 870-9301. Followed by either a call to the Detroit Police Officer Association, (313) 567-8770, or the Lieutenants & Sergeants (313) 961-5699, which ever applies.

While the Detroit Police Benefit & Protective Association will normally contact the City of Detroit with the information, it would be reasonable to follow up with a call to the Pension Bureau, (313) 224-3362 or 1 (800) 339-8344 and Human Resources (313) 224-4809 or 1 (888) 288-2684 to make sure that they were notified. Last but not least, notify the Retired Detroit Police & Fire Fighters Association, (586) 795-1734.

Fire employees, start by notifying the Detroit Fire Fighter Association, (313) 962-7546, the Detroit Firemen's Fund Association, (313) 961-2988 or 1 (877) 961-2988, Detroit Fire Mutual Fund, (313) 962-4595, and the Detroit Pension Bureau, (313) 224-3362 or 1 (800) 339-8344.

The above agencies will assist you with the notification process. It would be a good idea to put this information with your secured legal documents or some other obvious place where your survivors can locate it.

EYE CARE UPDATE 2012

Metropolitan Eye Center, also home of Lakeshore Eye Surgery Center, will always provide the latest and safest treatments available for our patients. As a full-service Eye Center, and State licensed Surgery Center, with an on-site Optical Studio, you can be assured we will do whatever we can to make your vision the best it can possibly be. Here are just *some* services we provide.

VITAMINS

According to the Seddon Harvard University study, Lutein and Zeaxanthin have been correlated to a 43% lower prevalence of Age-related Macular Degeneration (AMD). Lutein protects the retina by functioning as an antioxidant and by blocking harmful ultraviolet radiation that can damage the delicate macular tissue.

Antioxidants from Vitamin C, Vitamin E, Zinc, and Selenium have been shown to stabilize and prevent further progression of AMD. Patients who have already developed the disease are encouraged to take a vitamin with high doses of Lutein and antioxidants to minimize further loss of vision. Vitamin supplements designed specifically for the eye (MaxiVision) are available in our Optical Studio. Specific dietary components, particularly the carotenoids found in dark green leafy vegetables have shown great promise in reducing the incidence of AMD. Vitamin supplements are readily absorbed from the gastrointestinal tract resulting in increased blood serum levels and macular pigment density. Omega3 supplements available in purified fish oil enhance the beneficial effects of these vitamins. High concentration pharmaceutical-grade supplements are recommended for optimum effect. These supplements are also available in our optical studio.

CATARACTS AND MULTIFOCAL LENS IMPLANTS

If you believe you may have a cataract, don't worry. Every year, 3 million Americans have cataract surgery. Modern cataract surgery has developed into one of the safest, most successful and most patient 'friendly' surgical procedures available. The improvement to your vision can be life changing. With the latest advancements in multifocal lens implant technology, we are able to offer even more dramatic vision changes to improve not only your distance vision, but also your intermediate and near vision, as well. In some cases, bifocal intraocular lens implants can reduce the need for reading glasses after surgery. It is quick and painless and almost always results in a dramatic improvement in vision for the patient. That's good news since cataracts are a normal part of the aging process!

The first step is to have a complete eye examination and determine what type of implant is right for you!

GLAUCOMA TREATMENT

It is estimated that almost 50% of people who have glaucoma don't even know they have it because they have not had a comprehensive eye exam. The pressure in the eye is unusually elevated in patients with glaucoma, but there is no pain or visual loss until it is too late. Left untreated, vision gradually declines and eventual blindness will result.

Fortunately, glaucoma can be detected by your doctor during your comprehensive eye exam. Early treatment can prevent visual loss. Advances in treatment include new eye drops called prostaglandins and a revolutionary laser treatment called SLT. Using SLT to treat glaucoma, doctors can eliminate the need for eye drops in some cases! You have a higher than normal risk for glaucoma if you are African American, have a family history of glaucoma, or had an eye trauma. For more information, go to our website, or call for an appointment.

LASER VISION CORRECTION

We are delighted to be using the Bausch & Lomb Zyoptix™ Personalized Laser Vision Correction System for the treatment of nearsightedness and astigmatism. This revolutionary technology is enhanced by the use of an additional space-age laser, INTRALASE® that creates the LASIK flap without the use of a blade. We call this 'High Definition Vision'! The advanced diagnostic system used analyzes thousand of data points across the entire eye - to produce a personalized vision treatment plan.

By using the B&L Zyoptix System for traditional LASIK or PRK, our doctors are able to treat most patients who desire to eliminate or reduce their need for glasses.

The good news is that the LASIK procedure *may be* covered by U.S. Health and Life for current and retired Detroit Police and Fire Fighters.

AGE-RELATED MACULAR DEGENERATION TREATMENT

Age-related macular degeneration (AMD) is a disease associated with aging that gradually destroys sharp, central vision. Central vision is needed for seeing objects clearly and for common daily tasks such as reading and driving. AMD affects the macula, the part of the eye that allows you to see fine detail. AMD causes no pain.

In some cases, AMD advances so slowly that people notice little change in their vision. In others, the disease progresses faster and may lead to a loss of vision in both eyes. AMD is a leading cause of vision loss in Americans 60 years of age and older.

For a complete medical eye examination to determine if you have AMD and how we can help, call us today for an appointment.
